Eduroam Configuration for Mac

UNC Lineberger
IT Support
Step 1:

• Connect to the *UNC-Setup* wireless network.
Step 2:

- Open a browser window and go to wifi.unc.edu to open the UNC eduroam configuration page.
- Select the *Click here to configure* button.
Step 3:

• The configuration utility will now detect your system.

• Select *JoinNow*. 
Step 4:

- A set-up application will begin to download.
Step 5:

- Once the application finishes downloading, select it from your *Downloads* files.
Step 6:

- Double click the icon to launch the set-up application.

- You may get a security warning dialog box. Select *Open*. 
Step 7:

• A configuration wizard will open. Type in your Onyen in the *Username* box, and your Onyen password in the *Password* box.

• Proceed through this wizard to finish connecting to eduroam.
