

Cancer Support Calendar

Summer 2018 Edition: June, July & August

Many cancer patients describe diagnosis, treatment and survivorship as a journey. At times, this journey can be confusing and overwhelming. With UNC Cancer Care, you are not alone. A variety of support services are available to assist you and your family through cancer treatment and survivorship.

Most of the programs in this calendar were started by a UNC Cancer Care staff member or patient. Unless noted otherwise, programs are free and open to all UNC Cancer Care patients. Let a team member know if you need help finding other cancer support services. For more information, please call 984-974-8100 or visit our site:
