FOLLOW UP #10 Mail-In Survey: Appendix C

Date completed: _____

Recent studies have shown that financial burdens harm cancer patients and survivors. Financial burdens are linked to lower quality of life, greater emotional distress, treatment delays or stoppages, and even increased mortality. We wish to add the experiences of long-term breast cancer survivors to this scientific picture.

DIRECTIONS: Please indicate how true each of the following eleven statements are for you now by circling one of these options: Not at all, A little bit, Somewhat, Quite a bit, Very much.
