

## Internal Customer *Without an Account*

### To register for an iLab account:

To get started, you must register for an account:

1. Navigate to the core page:  
[https://uncch.ilab.agilent.com//service\\_center/show\\_external/5725/pathology\\_services\\_core](https://uncch.ilab.agilent.com//service_center/show_external/5725/pathology_services_core)
2. In the upper-right-hand corner of the screen click 'Login,' and select the **click here** link if you are part of the institution
3. You will be directed to an authentication page where you will need to enter your UNC-CH credentials
4. Once you have entered your credentials, click the 'Login' button
5. You will be directed to an iLab Registration page where you will need to select your PI/Lab and verify your contact information.
6. Once your registration has been submitted, your PI will receive a notification that you have requested membership to their lab in iLab. They will need to approve your membership and assign any Chartfield String for your use.

### To Create a Service Request:

Once you have been accepted into your PI's lab and assigned Chartfield String , you can create service requests.

1. Navigate to the core page:  
[https://uncch.ilab.agilent.com//service\\_center/show\\_external/5725/pathology\\_services\\_core](https://uncch.ilab.agilent.com//service_center/show_external/5725/pathology_services_core)
2. At the upper right hand of the page where it says, 'Welcome UNC-CH user, click here to log in or register,' select **click here**.
3. Enter your UNC-CH Credentials and password, and sign in.
4. Select the *Request Services* tab and click on the 'Request Service' button next to the service of interest.
5. You will be asked to complete a form before submitting the request to the core.
6. Your request will be pending review by the core. The core will review your request and either Agree to the work or they will ask for more information if needed.

## PI

It was indicated that you have researchers who use the core's services, and we wanted to let you know that you may receive email requests from researchers wishing to join your group. The request email will have specific instructions on how to approve the request. In case you are interested in the process, we have pasted instructions below. **If you would prefer to delegate these notifications/approvals to a financial manager, please email [ilab-support@agilent.com](mailto:ilab-support@agilent.com) with your financial manager's name & email.**

### Instructions

1. Click here to log-in:  
[https://uncch.ilab.agilent.com//service\\_center/show\\_external/5725/pathology\\_services\\_core](https://uncch.ilab.agilent.com//service_center/show_external/5725/pathology_services_core)
2. You will use your UNC-CH credentials to log into iLab
3. Once logged in, look for the link in the left hand menu that says 'my groups'. Hover-over and select your lab.
4. Set the auto-approval amount if you do not wish to approve service requests below a certain dollar amount. To do this, select the 'Members' panel and enter a dollar amount in the 'Auto Pre-Approval' amount and click 'save settings.'
5. To approve lab membership requests, select the 'Membership Requests & Chartfield String' tab. New membership requests will show at the top of this page. Click "Approve" to accept a member into your lab. Click "Reject" if they are not a member of your lab.

6. To assign an Chartfield String to a member of your lab, find the member in the above list where it says, 'Manage Chartfield String .' Select the checkbox(es) to the right of their name for the Chartfield String (s) you wish to assign them.
