

Community Growth

Big things are happening with our Telehealth lectures!

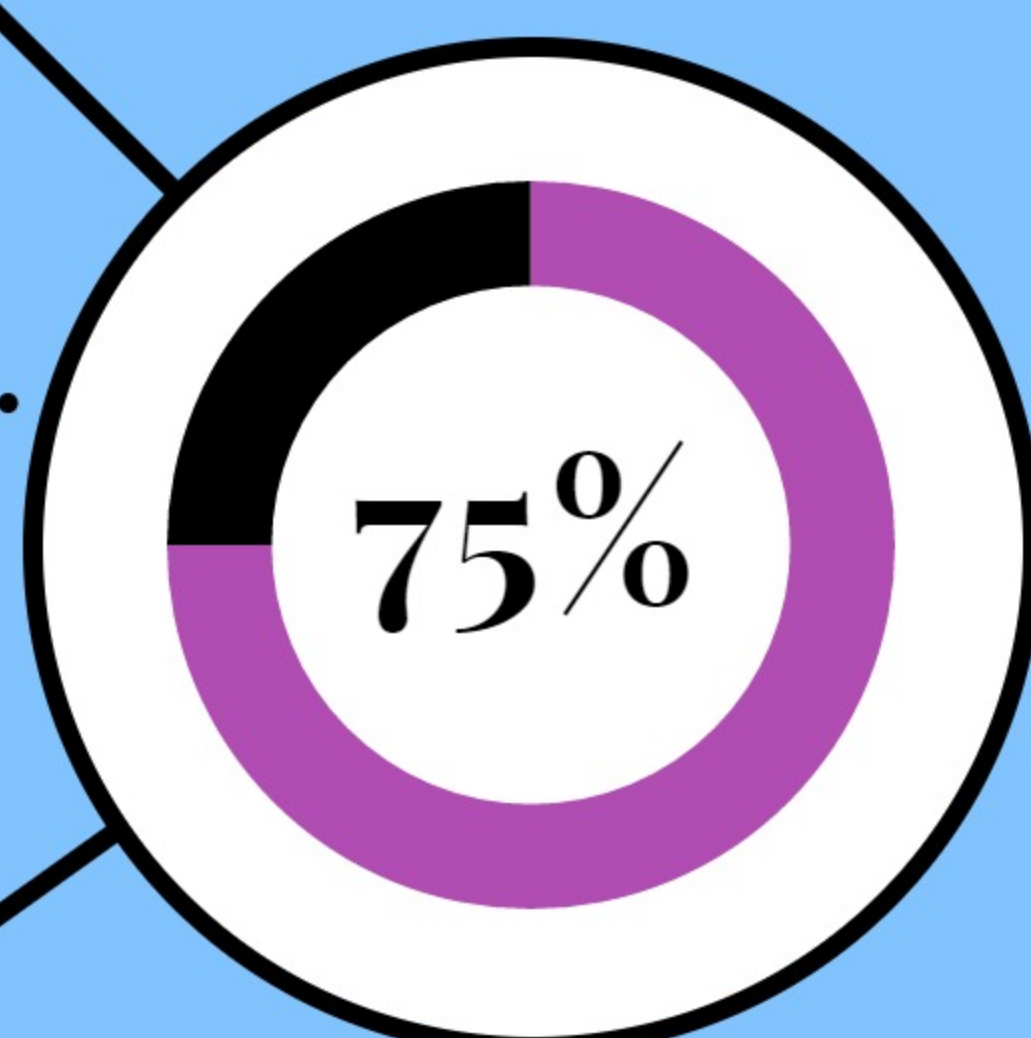

12/2015 - 4/2016

LEARNING

75% OF PARTICIPANTS RECEIVED CONTINUING EDUCATION CREDITS.

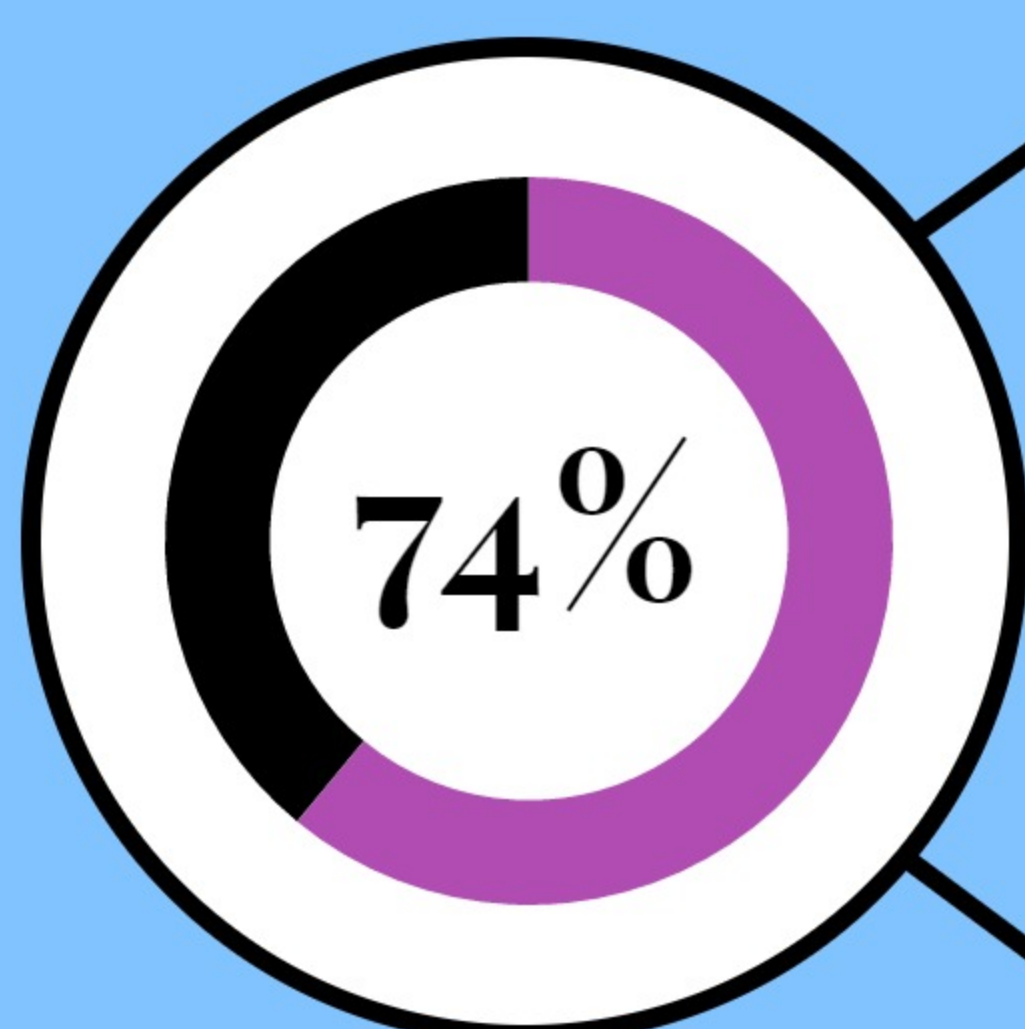

Available education credits include: CME (Med/Surg Lectures Only), ANCC, & ASRT.

CONNECTING

74% OF OUR SITES ARE CONNECTED TO OUR LEARNING MANAGEMENT SYSTEM.

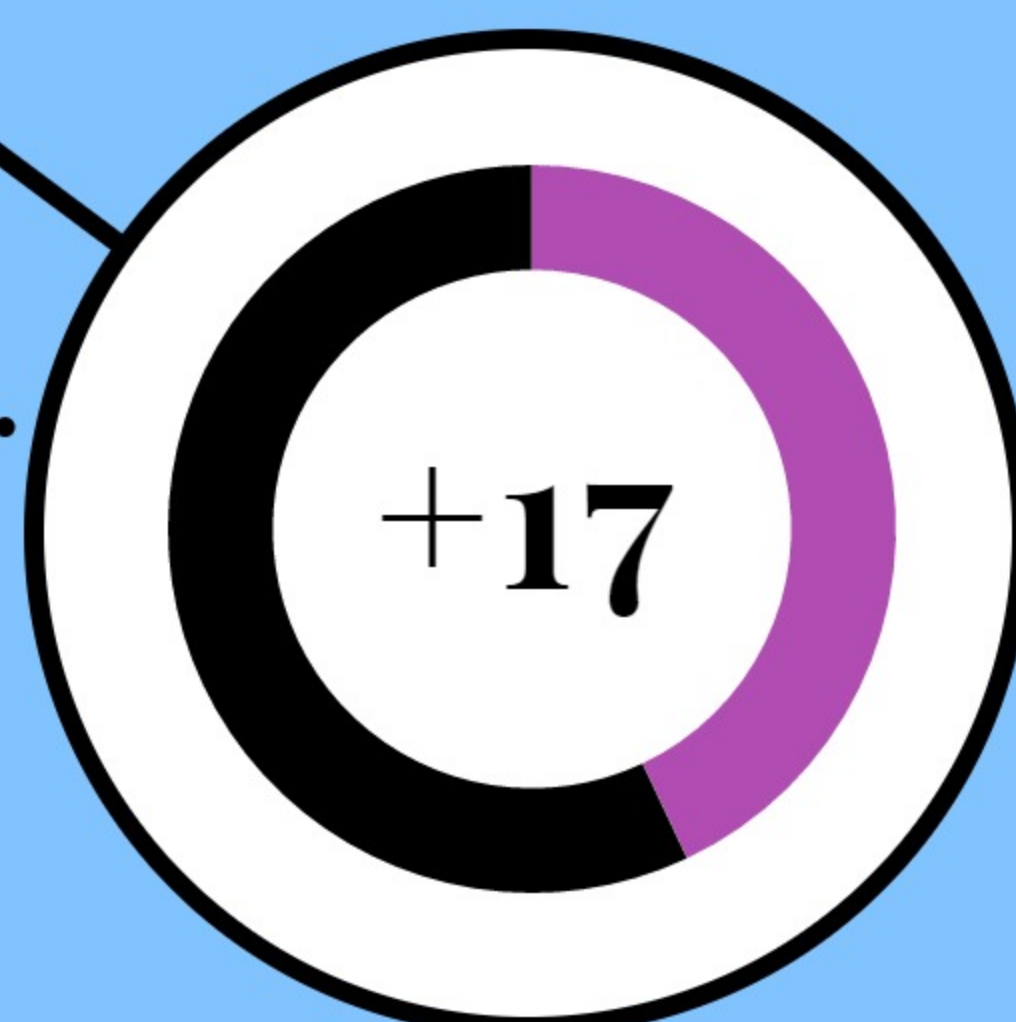

We have 31 Telehealth sites, 23 of them are currently participating in Sakai. Participants receive regular communications from our office and new participants are added daily.

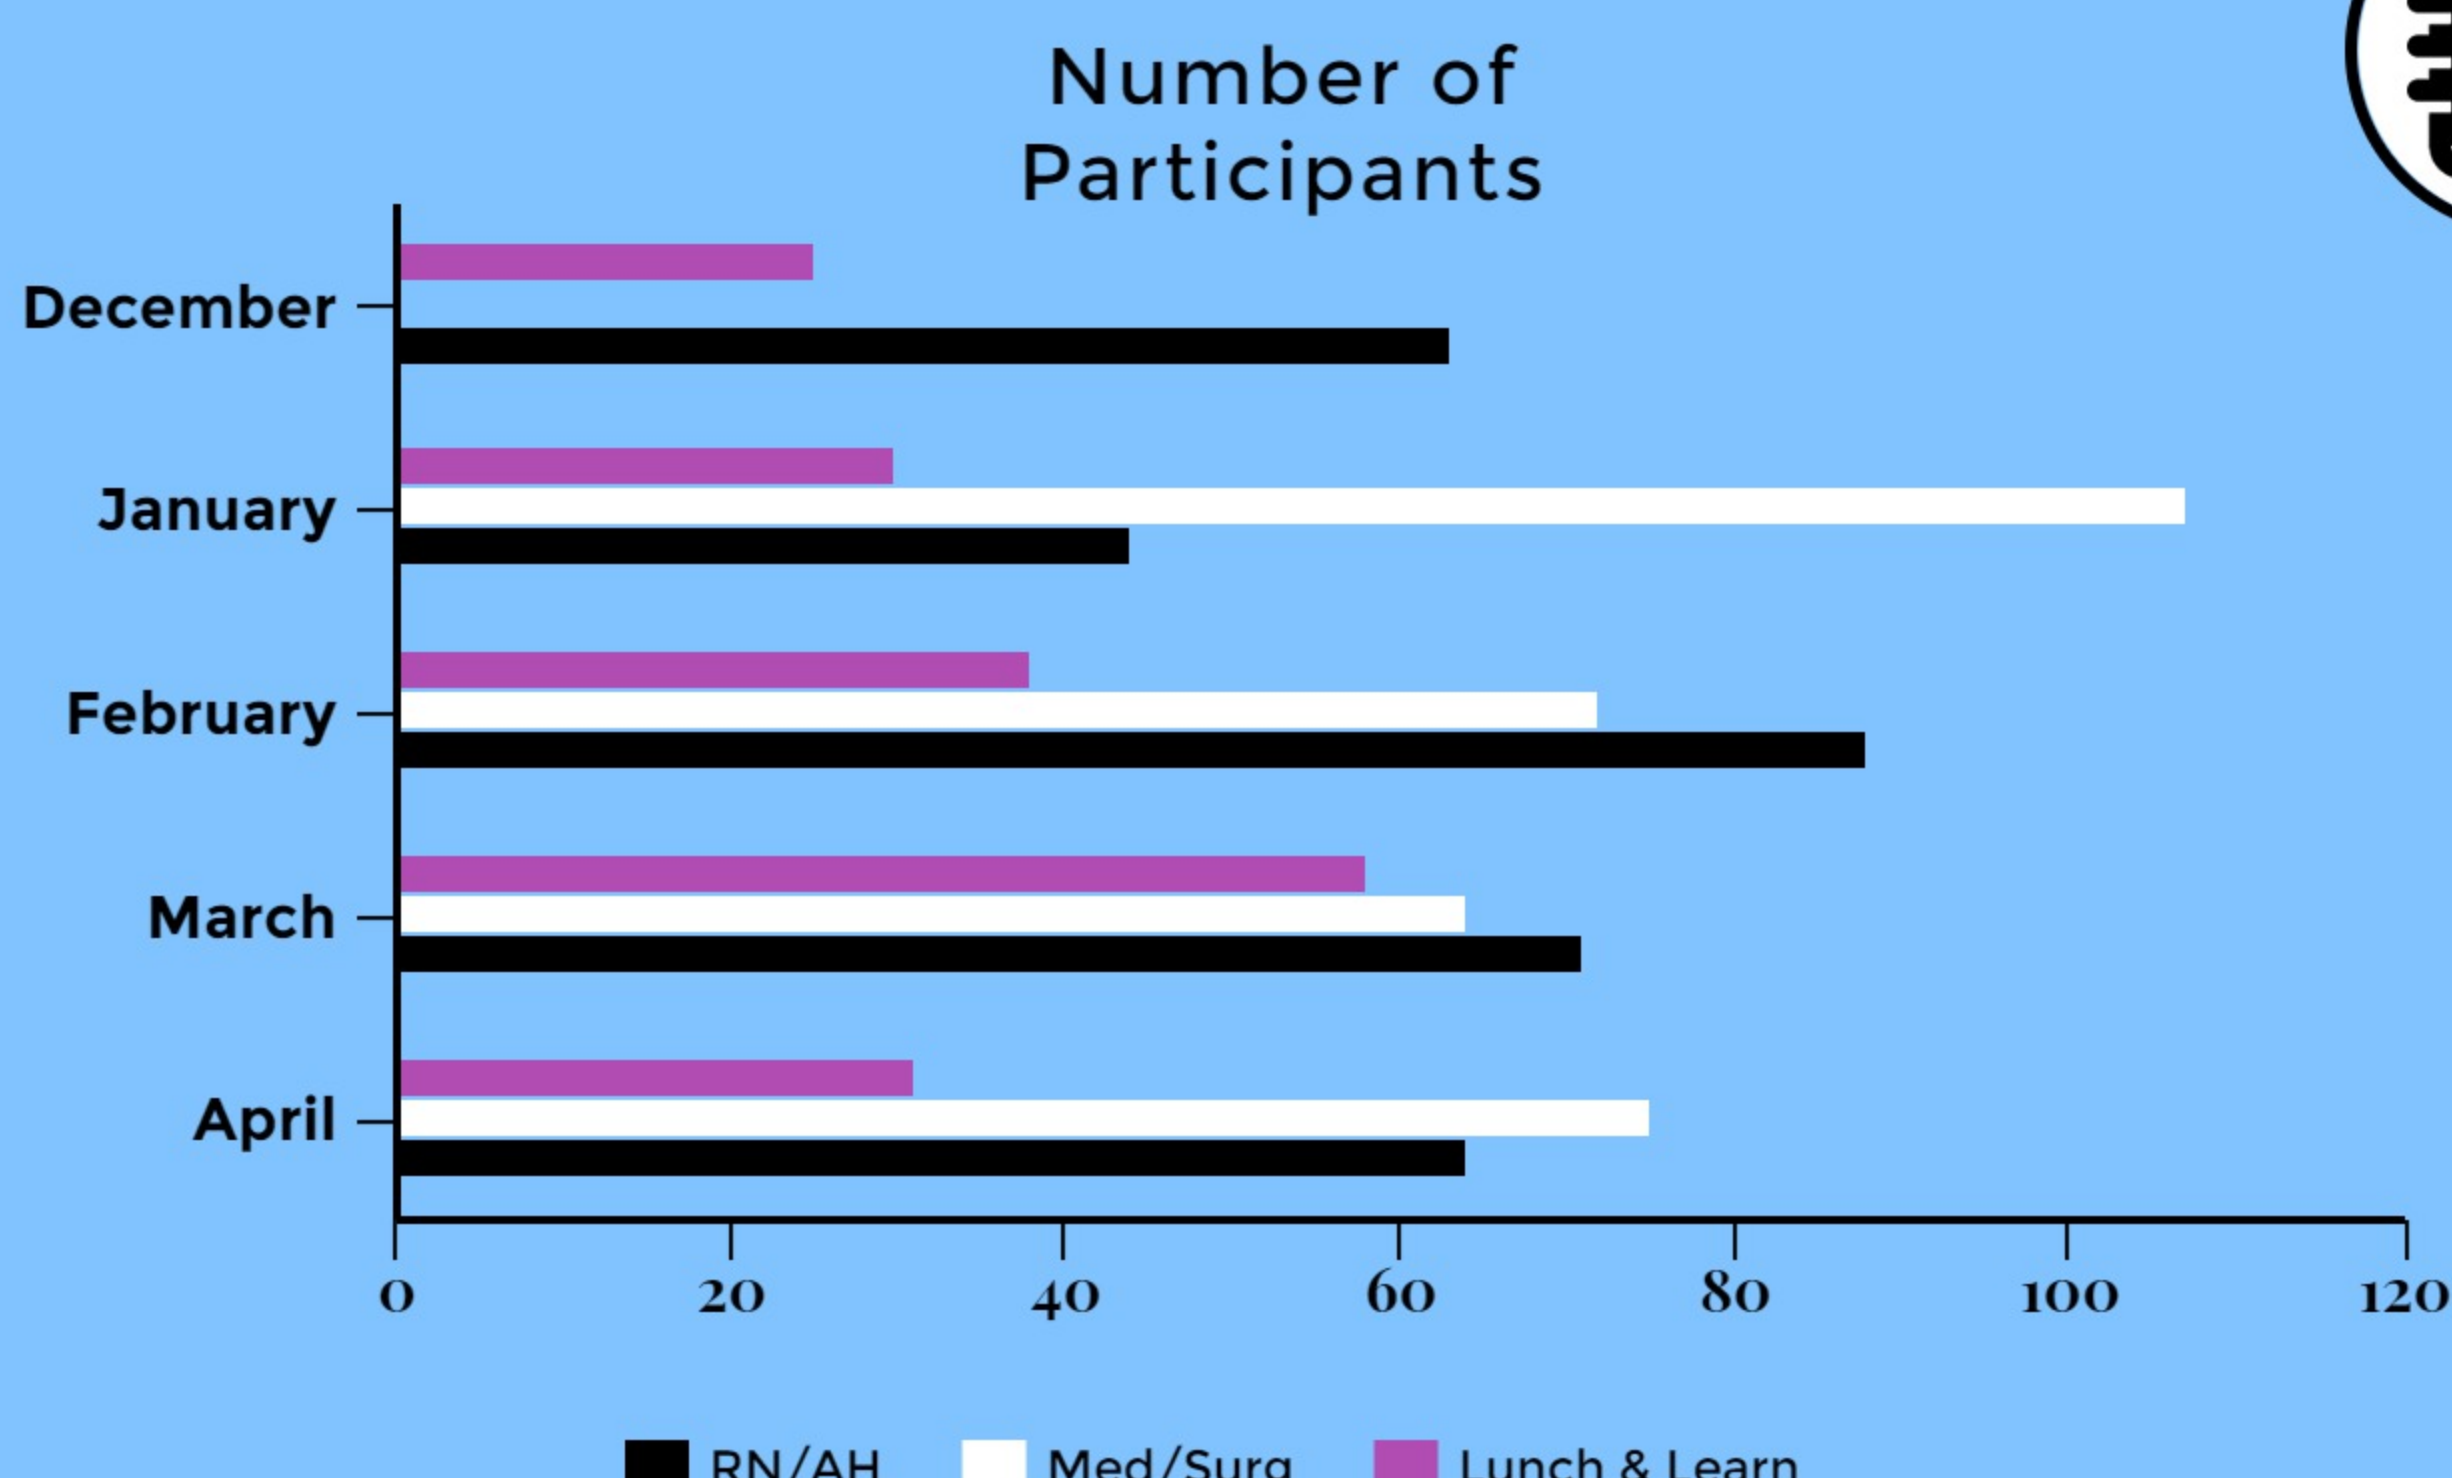

GROWING

WE ARE REACHING MORE PEOPLE THAN EVER!!

As we have expanded our Telehealth lectures to new sites, increased participation, and increased our overall visibility using our Learning Management System, we have seen increased demand for all of our lectures. Since December 2015 we have added 5 new Lunch and Learn Sites and 2 new Telehealth sites, with another 10 Telehealth sites in the works!

DECEMBER 2015-April 2016

In addition to our Telehealth Medical Lectures, our Community Lunch and Learn Lectures are not only adding participants, but we are gaining whole new sites as well!
