

The Biology of Cancer

Exploring the Role of Race, Class, and Socioeconomics
in the Underserved and the Underrepresented

NCCU, **UNC Lineberger**, and **NC A&T**

will host

The Biology of Cancer 2021 Symposium

on

April 9, 2021

from 1:00 to 4:00 p.m.

Please plan to attend all of the events, because we will be announcing prizes at the end of the symposium.

The event is open to all who attended the Fall 2020 course from the three institutions and for those interested in taking **The Biology of Cancer** course this Fall 2021 semester.
