### WEBINAR DESCRIPTION

Cancer survivors have been lost in transition between their oncologist and primary care provider for decades. This presentation discusses the barriers primary care providers have to providing cancer survivorship care and the role of the primary care provider in the treatment of cancer survivors.

### LEARNING OUTCOMES

- Increase knowledge of the role of primary care in the treatment of cancer survivors
- Discuss what primary care providers need to know about cancer treatment
- Discuss the barriers primary care experiences when providing cancer survivorship care

The program was co-provided with the Greensboro Area Health Education Center.

The **Advanced Practice Provider** webinar series created and coordinated by **Tammy Triglianis, DNP, ANP-BC, AOCNP**, in partnership with the **UNC Lineberger Cancer Network**.
