Primary Central Nervous System Lymphoma in North Carolina: Updates for 2022

Christopher Dittus, DO, MPH

Assistant Professor

Clinical Research, Hematology/Oncology

UNC Lineberger Comprehensive Cancer Center

UNC School of Medicine

University of North Carolina at Chapel Hill

WEBINAR DESCRIPTION

Christopher Dittus, DO, MPH, from the UNC Lineberger Lymphoma group will describe relevant updates in systemic therapy for Primary Central Nervous System Lymphoma in North Carolina. Additional topical management considerations or recommendations for this patient population may also be presented.

LEARNING OUTCOMES

- Explain the diagnosis of Primary Central Nervous System lymphoma (PCNSL)
- Describe the frontline treatment approach for mantle cell lymphoma.
- Describe new modalities for treating relapsed mantle cell lymphoma.

The program was co-provided with the UNC Digital and Lifelong Learning.
