

# Exploring Cancer

Examining the Role of Biology, Race, Class, and Socioeconomics

## Registration and Sign up Instructions for Courses

### 1. Create an account or log in

Exploring Cancer courses are hosted on the UNCLCN's [Learning Portal](#).

To sign-up, you will need to [log in](#) or [create an account](#).

### 2. Enroll in courses

Visit the [2023 Exploring Cancer course series page](#).

Select the “Register” navigation tab at the top of this course page.

Here you will see a list of the available courses, followed by 2 questions.

Answer these questions, then select:

Enroll

### 3. Joining a webinar Online

On the day of the webinar you will receive a reminder email to go directly to the next course. You may also visit the [Exploring Cancer course series page](#) and select the desired course.

To enter the course, select the button:

Take course ▶

Once you are in the course, follow the instructions to view the presentation in Zoom and then return to the course to complete an evaluation.

### Classroom attendance

If you viewed the webinar from a classroom, you will need to [email the course administrator](#) to request credit for attending.

You will be given instructions to create an account in the [UNCLCN Learning Portal](#) and then provided a link to complete an evaluation.
