Providing LGBTQ friendly care in Oncology

Patricia Morfeld, RN, BSN, OCN

Registered Nurse-Chemotherapy

UNC Lineberger Comprehensive Cancer Center

UNC School of Medicine

University of North Carolina at Chapel Hill

WEBINAR DESCRIPTION

Join our conversation on how to provide patient centered care for LGBTQ patients and families from registration through diagnosis, treatment and survivorship.

LEARNING OUTCOMES

- Identify resources available for all staff here at UNC Health and Lineberger Cancer Center to support care of LGBTQ patients and caregivers.
- Create conversations with colleagues regarding LGBTQ patients/caregivers with affirming language.
- Recognize the vocabulary preferred by most members of the LGBTQ community, and the fact that not all patients/caregivers will choose to be identified as members of the LGBTQ community regardless of their relationship status.

The program was co-provided with UNC Digital and Lifelong Learning
