Webinar Description

A highlight of how Levine Cancer Institute has formed a bidirectional relationship with the Catawba Indian Nation (Catawba Service Unit). As November is Lung Cancer Awareness Month, we will highlight the mobile lung cancer screening unit as part of the portfolio of screening modalities provided by the Disparities and Outreach/Community Outreach and Engagement Program at Levine Cancer Institute.

These webinars are a collaboration between

**LINEBERGER COMPREHENSIVE
CANCER CENTER**

**Wake Forest University
School of Medicine**
