## Updates in Surgical Management for Breast Cancer

**Kristalyn Gallagher, DO, FACOS, FACS**

*Associate Professor of Surgery*

Division of Surgical Oncology

UNC Lineberger Comprehensive Cancer Center

UNC School of Medicine

University of North Carolina at Chapel Hill

### Webinar Description

Breast cancer management continues to evolve with tailored therapies allowing for a personalized approach to treatment. This is an update on current surgical considerations for breast cancer management.

### Learning Objectives

- Discuss options for surgical management of breast cancer.
- Discuss current guidelines and considerations for management of the axilla.
- Recall novel surgical techniques to minimize lymphedema.
