## Update in Bladder Cancer

**Matthew I. Milowsky, MD, FASCO**

*Distinguished Professor of Medicine*

Division of Oncology

UNC Lineberger Comprehensive Cancer Center

UNC School of Medicine

University of North Carolina at Chapel Hill

### Webinar Description

Matthew I. Milowsky, MD, FASCO, will discuss aspects of bladder cancer including the role of biomarkers in the management of bladder cancer, the role of perioperative therapy for muscle-invasive bladder cancer, and treatment strategies for advanced/metastatic bladder cancer.

### Learning Objectives

- Discuss the role of biomarkers in the management of bladder cancer
- Understand the role of perioperative therapy for muscle-invasive bladder cancer
- Review treatment strategies for advanced/metastatic bladder cancer
