HBO Campus
Administration

WEBINAR DESCRIPTION

This webinar aims to define workplace violence and its impact in the healthcare setting. During this session, regulatory standards to address workplace violence will be reviewed as well as proactive strategies to reduce the risk of workplace violence and raise awareness on the incidence of workplace violence in the hospital setting.

LEARNING OBJECTIVES

- Describe the scope of workplace violence
- Define workplace violence and differentiate its domains
- Describe one proactive strategy to prevent workplace violence
- Identify institutional strategies to raise awareness on workplace violence
- Identify regulatory requirements on workplace violence

Self-Paced, Online Course
