Caregivers Come in All Sizes, Colors and Complexities

Linnea Van Pelt, BSN, RN, OCN, LMBT
Patient Services Manager III, UNC Oncology Support Services
Mary Anne Long Patient and Family Resource Center
Oncology Education Program
 UNC Health Cancer Care Navigation Program
 UNC Lineberger Comprehensive Cancer Support Program
 NC Basnight Cancer Hospital

WEBINAR DESCRIPTION

Defining and unpacking the many different types of caregivers that serve as essential members of our oncology patients' care team, as well as the unique stressors and needs that they present.

LEARNING OBJECTIVES

- Define at least three different types of non-family caregivers
- Describe at least 2 distinct health challenges that caregivers often face in their own lives
- Describe at least 2 practical interventions that healthcare systems can use to support caregivers for cancer patients
