

# Introduction to the Pathology of Disease

## Registration and Enrollment Instructions

### Create an Account or Log In

The **Introduction to the Pathology of Disease** course is taught online and requires students to create an account on the **UNC LINEBERGER CANCER NETWORK**'s Learning Portal.

Students need to [create an account](#) or [log in](#) with the Learning Portal.

### Joining an Online Class

Reminder emails are sent before each class. Each email contains a link for that class only.

You may also visit the **Introduction to the Pathology of Disease** [course page](#) and select the desired class.

To join a class, click the button **Take Course** and follow the instructions to view the **Zoom** lecture.

### Enroll in the Course

Visit the **Introduction to the Pathology of Disease** [course page](#).

This page contains all of the scheduled classes. Enroll in the course to participate in the classes.

To see information about the course, click on the tab **Overview**.

To enroll in the course, click on the tab **Register**, scroll to the bottom of the page, and click the button **Enroll**.

### Questions

More issues are addressed in the [FAQ](#).

You may also reach out to me for help if you have any questions or encounter any difficulties regarding the Learning Portal:
