Coping with a Cancer Diagnosis

Justin Yopp, PhD

Associate Professor, Department of Psychiatry
Director of Psycho-Oncology, Comprehensive Cancer Support Program
UNC Lineberger Comprehensive Cancer Center
UNC School of Medicine
University of North Carolina at Chapel Hill

Webinar Description

Justin Yopp, PhD will present on how people cope and adapt to a new cancer diagnosis and explore how providers can support patients through their cancer experience.

Learning Objectives

- Differentiate between healthy and unhealthy adaptation
- Identify ways in which providers can support patients and their families
- Describe the humanistic approach to coping with cancer
