

ORSC

OFFICE OF RESEARCH SUPPORT & COMPLIANCE

We serve North Carolina. Every day.

The UNCHCS ORSC services include:

- ✓ Developing and implementing system-wide research compliance policy and procedure
- ✓ Coordinating research financial services and study management infrastructure requirements
- ✓ Preparing UNCHCS network entities for research regulatory audits
- ✓ Participating in research risk assessments and investigations
- ✓ Providing site-based education and training so that all research conducted at UNCHCS network entities is compliant with federal, state, and local laws and regulations as well as applicable UNCHCS policies.

Research compliance, administration and management for UNCHCS network entities.

The Office of Research Support and Compliance seeks to promote the conduct of efficient and high quality clinical research across the UNC Health Care System by:

- ❖ Supporting the University of North Carolina Health Care System's ongoing commitment to ethical behavior and research integrity;
- ❖ Ensuring compliance with applicable laws and regulations;
- ❖ Providing operational support, training and the tools necessary to conduct safe and ethical research; and
- ❖ Endorsing and propagating best practices in research conduct, management and billing compliance.
