

Lineberger Cancer Center Retreat Table Talk

As you finish lunch, spend 30 minutes with your table discussing these questions:

Q1. What is your role in the Cancer Center - and what is your Why?

Q2. How can Lineberger help you...

... connect your research to the people we serve (patients, community)?

... enhance diversity, equity and inclusion in both your research and teams/labs?

... connect to the resources you need to do your research?

... translate your research into patient care?

Q3: Is there anything else about Lineberger that you would want to know?

Jot down your ideas in the box. Lineberger staff will pick them up after lunch.

If you would like someone to get back to you about Q3, write your name and email on this form.
