Please note:

- The IRB requires PRC approval letters with initial submissions for all qualifying studies. Therefore, appropriate studies are to be submitted to the PRC *before* submission to the IRB.
- Initial submissions are accepted by the PRC on a first come, first served basis, with a limit of five initial/amendment reviews per meeting.
- The submission deadline is Close of Business on the date of the previous meeting. If the agenda has already reached its limit of five initial/amendment reviews, the study will be put on the next available agenda.
- PRC submissions with incomplete documents or without relevant signoffs will not be considered as submitted by the indicated deadline.
