

# DIVERSITY IS CRITICALLY NEEDED IN CANCER CLINICAL TRIALS

Every cancer treatment was first **studied and approved** through a clinical trial.

Taking part in clinical trials helps improve the future of cancer care for patients *just like you.*

## WAYS YOU CAN BE INVOLVED IN CANCER RESEARCH:

TAKE PART IN A CLINICAL TRIAL

DONATE A BIOSPECIMEN TO RESEARCHERS

TAKE PART IN AN OBSERVATIONAL STUDY

RAISE AWARENESS WITHIN YOUR COMMUNITY

JOIN AS A HEALTHY VOLUNTEER
